

The Land Trust is a membership-based organization and welcomes your support and participation. Our members understand the need for permanently affordable housing and believe in the Community Land Trust model. Members receive information about Land Trust events and projects, elect the board of directors, and are invited to the annual meeting.

*Your donation will help build a legacy of housing
that will remain affordable for generations.*

Please print this page, fill in the appropriate boxes, and mail it along with your check made payable to

Orange Community Housing & Land Trust
